HEALTHCARE REFORM – Affordable Care Act

GRANDFATHERED STATUS:

The Trustees believe that the United Food and Commercial Workers Union Local 1529 and Employers Health & Welfare Plan and Trust (the “Plan”) is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the “Affordable Care Act”). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that the Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement to provide for external review of appeals. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 1-800-874-8499 or (901) 758-3000.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

ELIGIBILITY CRITERIA

Who Is Eligible?

Pursuant to the Collective Bargaining Agreement by and between your employer and United Food & Commercial Workers Union, Local No. 1529, there are currently three Benefit Options:

Plan A: Employees on payroll and qualified as of July 1, 2001, shall continue to be eligible for the plan identified by the Health and Welfare Plan & Trust as Plan A. (Closed Plan). **At each Open Enrollment, these employees can choose to elect coverage in Plan B or Plan C as opposed to Plan A, thereby reducing the required weekly employee premium. If a Plan A eligible employee elects to enroll in Plan B or Plan C, the employee can elect Plan A during a future Open Enrollment period.**

Plan B: Full and part-time employees on the payroll and qualified after July 1, 2001, shall be eligible for a schedule of benefits identified as Plan B. **At each Open Enrollment, these employees can choose to elect coverage in Plan C as opposed to Plan B, thereby reducing the required weekly employee premium. If an election is made to enroll in Plan C, the employee can elect Plan B during a future Open Enrollment period.**

Plan C: Full-time employees hired after July 1, 2005 and part-time employees hired after January 1, 2005, shall be eligible for a schedule of benefits identified as Plan C. **After thirty-six (36) months of Plan C eligibility, the employee will be eligible to elect Plan B, otherwise they will remain in Plan C. If an election is made to stay in Plan C or enroll in Plan B, the employee can elect either Plan B or Plan C during a future Open Enrollment period. Employees will have 60 days to enroll in Plan B from the date they qualify to enroll in Plan B.**

When is Eligibility Effective?

Known Work Employees Only: Sixty (60) days of consecutive employment. Eligible to add dependents. Note that this applies only if you are classified by your employer as a Known Work Employee.

Courtesy Clerks, Fuel Clerks, and Students under age 18: A courtesy clerk, fuel clerk, or student under age 18 will become eligible for health and welfare benefits on the first day of the first calendar month immediately following nine months of employment if he/she has maintained an average of thirty hours per week under current eligibility rules. He/she will be eligible to add dependents after initial coverage if full-time qualifications are met.

Below is an outline of the benefits you would potentially be eligible for based on your **hire date, Plan, position, period of coverage and hours worked**. *Coverage begins the first day of the first calendar month following the date of eligibility.*

Full-Time Employees Only: Three (3) months of consecutive employment working an average of 35 hours per week for a period of 12 consecutive calendar weeks (minimum of 420 hours). Eligible to add dependents. The first day of the fourth (4th) month you are eligible for all of the following benefits: Medical, Prescription, Dental and Vision

Part-Time Employees Only: Eligible after **nine (9) months of consecutive employment** working on average 12 hours per week for a period of 9 consecutive months*. **Not** eligible to add dependents or spouse. **The first day of the tenth (10th)** month Part-Time benefits will commence on the following schedule:

Timeline	Benefits
The first day of the tenth month (10 th) from date of hire	Medical and Prescription Coverage Only
6 months later (16 months from date of hire)	Medical, Prescription + Dental
6 months later (22 months from date of hire)	Medical, Prescription, Dental + Vision

*Depending on your date of hire, the 12 hour work requirement may not apply. Please contact the Fund Office if you have questions about this

ENROLLMENT REQUIREMENTS

From the date of eligibility, you have **60 calendar days** to elect coverage and enroll. If you fail to enroll within 60 days from your eligibility date, you will have to wait until the next Annual Open Enrollment period to enroll, unless you have a qualifying life event.

TO ENROLL:

- ✓ **New Hires:** new hires enrolling for the first time are required to complete a paper application and submit ALL REQUIRED DOCUMENTS. (see Enrollment Matrix)
- ✓ **Re-Enrollees:** re-enroll during Annual Open Enrollment. Re-enrollment can be completed online via www.bams.bz or by phone if no changes are being made. If changes are being made, re-enrollees must complete a paper application and submit all required documents.

QUALIFYING LIFE EVENT: A qualifying life event change is a personal change in status which may allow you to change your benefit elections. You have **30 calendar days from the date of the event** to notify the Plan Administrator in writing if you experience a qualifying life event. *For example, if your divorce is finalized on August 1st you must submit an Enrollment Application/Change Form along with a copy of the finalized divorce decree by August 31st.*

If you do not request the change within 30 calendar days, the next opportunity you will have to make changes to your benefits will be during the next Annual Open Enrollment period. You will not be reimbursed for deducted Health Coverage Premiums if you fail to notify the Plan of ineligible dependents. In addition, you may be responsible to re-pay the Plan for any benefits paid on behalf of ineligible dependents if you fail to timely notify the Plan of the dependent's ineligibility.

Examples of some life changing events include, but are not limited to, the following:

1. Change in legal marital status – marriage, divorce, legal separation, annulment, or death of a spouse
2. Change in number of dependents – birth, death, adoption, placement for adoption, award of legal guardianship
3. Change in employment status– switching from part-time to full-time employment status or from full-time to part-time
4. Dependent satisfies or ceases to satisfy eligibility requirement – Dependent that is over the age of 26

IMPORTANT! Unless it is due to an employee qualifying for Plan B after 36 months on Plan C (See “Eligibility Criteria”), you cannot change Plans (A, B, C) due to a Qualifying Life Event, you can only change plans during Annual Open Enrollment.

SPECIAL ENROLLMENT RIGHTS: When the employee or dependent of an employee loses other health coverage, a special enrollment opportunity in the group health plan may be triggered.

To have a special enrollment opportunity in this situation, the employee or dependent must have had other health coverage when coverage under the group health plan was previously declined. If the other coverage was COBRA continuation coverage, special enrollment can be requested only after the COBRA continuation coverage is exhausted. If the other coverage was not COBRA continuation coverage, special enrollment can be requested when the individual loses eligibility for the other coverage.

ENROLLMENT MATRIX

You may enroll your dependents for coverage under the Plan only if you are classified in an eligible full-time position. If dependents become ineligible, you are responsible for notifying the **Plan Administrator within 30 days of loss of eligibility**. Recovery of claims paid to ineligible dependents may be requested.
